

After school pottery club

Dear Parents/Carers

Pottery Club will be running for six weeks in Term 4, as an after-school club for pupils in years 3/4/5/6

KisKlay will explore different ways we can use clay, teaching different techniques and the use of pottery tools. Generally, we will be making two projects per term: two weeks of creating and one week of glazing. I hope the children will benefit hugely from working with clay, this will hopefully give them more confidence and help their busy minds relax after a long day in the classroom. I'm looking forward exploring and making little projects with them.

Day: Thursday

Time: 15:25 - 16:25 (collection @ Cemetery Lane gate) 26th February – 02nd April 2026

Cost: £36 (six weeks)

Spaces are limited: max 20 children.

Please fill out and return the form below, once you receive a confirmation of place then payment must be made within 24hours of confirmation, otherwise your child's space will not be guaranteed.

Lessons will take place in the Oak classroom. I only have limited spaces so please book ASAP. Please text or email me confirmation and any questions you may have. Payment may be done by Bank Transfer. **I shall confirm place by text/email.**

Many Thanks

Jette Kisendal owner of KisKlay
